- used for limited, specifically stated purposes
- used in a way that is adequate, relevant and not excessive
- kept for no longer than is necessary
- handled according to people's data protection rights
- kept safe and secure
- not transferred without adequate protection

capfinex.com is the data controller in respect of the information it gathered from its clients. In accordance with the legislation capfinex.com views the protection, privacy and the safeguarding of that personal and financial information of clients and Website visitors as a high priority.

This statement outlines capfinex.com privacy policy and explains how capfinex.com ensures all personal information collected by it remains confidential and how it respects everyone's privacy and always safeguards it. By using the Website, clients give their consent to the collection and use of personal information by capfinex.com as explained in this privacy statement.

### Collection of and use of Personal Information

Information collected includes personal names, email addresses, telephone numbers, other identification details. In addition, capfinex.com may collect other information in order to better assess client's interests etc. for customizing websites and general marketing purposes.

### Our Affiliates and Partners

capfinex.com may at times enter into partnerships which may include joint marketing and affiliate agreements with other companies who offer products and services that might be of value to capfinex.com clients. capfinex.com may share information with such partners and affiliates if the information is required to provide the product or service a client has requested; or to provide a client the opportunity to participate in the products or services the partner or affiliates offer; and in order to ensure that such products and services meet a client's needs and are delivered in a manner that is useful and relevant. The use of a client's personal information is limited to the purposes identified in capfinex.com relationship with the partner or affiliate.

### Using your information to help in the prevention of and including terrorism and crime

Where we are required by law, your personal information may also be disclosed to an applicable governmental, regulatory or enforcement authority. These authorities may then use your personal information to investigate and act on any breach of law or regulatory rules in accordance with their procedures.

## **Third Parties and transfers of personal data**

capfinex.com does not sell, license, lease or otherwise disclose any client's personal information to any third party for any reason, except in the following circumstances:

- where required by regulatory, law enforcement or other government authorities;
- when necessary to protect capfinex.com rights or property;
- to help improve services to clients where capfinex.com may engage another business to help carry out some internal functions such as customer service, client satisfaction surveys or other support services or data collection activities relevant to capfinex.com business.

Information may be processed by staff who work for capfinex.com or for one capfinex.com suppliers capfinex.com may also provide a party with client information from a Company database to help analyze and identify client needs and notify clients of product and service offerings. Use of the information shared is strictly limited to the performance of the task capfinex.com requests and for no other purpose. All third parties with whom capfinex.com shares personal information are required to protect personal information in a manner like capfinex.com protects personal information.

## **Security**

All information that clients provide to capfinex.com is stored on secure servers. The transmission of information via the Internet can never be completely secure. Although capfinex.com does its best to protect personal data it cannot guarantee the security of data transmitted to the Website and any transmission is at a client's own risk. Once it has received client information capfinex.com will use strict procedures and security features to try to prevent unauthorized access.

## **Restriction of Responsibility**

If at any time any client chooses to purchase a product or service offered by another company, any personal information the client shares with that company will no longer be controlled under this Company's privacy policy. capfinex.com is not responsible for the privacy policies or the content of sites that its Website links to and has no control over the use or protection of information provided by clients or collected by those sites. Whenever a client elects to link to a co-branded or linked website, the client may be asked to provide registration or other information and such information will be going to a third party and the client should therefore first become familiar with the privacy policy of that third party.

## **Marketing**

capfinex.com may use client data in order to provide information about products and services which could be of interest and Company staff or agents may contact a client about them by email, telephone, skype, telegram etc.

## **Use of Cookies**

capfinex.com uses cookies to assist it in securing client activities and to enhance the performance of the Website. Cookies are small text files sent from the web server to a client's browsing device. Cookies used by capfinex.com do not contain any personal information. Cookies are used for various purposes such as allowing the Website to recognize individual user preferences in order to deliver a bespoke presentation of the site

to a client. capfinex.com may share Website usage information about visitors to the Website with reputable advertising companies for targeting capfinex.com Internet banner advertisements on the Website and other sites. For this purpose, pixel tags may be used to note the pages a client has visited. The information collected by the advertising company using these pixel tags is not personally identifiable.
